Skits anyone? Pick a partner or two and put on a skit to share with everyone...get your thinking caps on.

One to one time with Renée and each other.

The hotel has a pool and hot tub.

Renée will have a king suite. We will all have a PJ Party in... so bring your beauty Pj's!

We will go out for dinner on Saturday night to a nice place, your order from the menu. Each one takes care of there own bill.

Saturday we will step out for lunch, and Sunday we'll have pizza at the hotel, Renée's treat before you head out for home.

I simply can't wait to be with all of you, to experience your beautiful faces and spirits in person will be extraordinary.

Kindest Regards

Renée
