FACIAL IN A BAG

Original Facial in a Bag by the Pink Bubble. Adapted by *Virtually PINK*

Experience a three-dimensional approach to skin aging, featuring the patent-pending Age Minimize 3DComplex, and masking treatments to help treat your skin and give it the pampering it deserves.

You're going to love the way your skin looks and feels!

Let's Get Started!

STEP ONE: 4-IN-1 CLEANSER

Apply approximately half of the CLEANSER packet to a wet face & neck. Add extra water to enhance the lather. Rinse with warm water or a washcloth. Reserve the other half of the packet for use in the morning.

STEP TWO: MICRODERMABRASION

With your face still wet, apply the REFINE step to your face. Massage gently for 1 minute and then rinse. Pat dry.

STEP THREE: DEEP-CLEANSING CHARCOAL MASK

Now gently apply the CHARCOAL MASK over the oiliest areas of your face (usually the "T-zone"). If your complexion is oily, you may wish to apply it over your entire face. Let it work for 20 minutes. Notice the darker patches and white spots, which indicate impurities pulled from your pores!

STEP FOUR: PORE MINIMIZER

Now apply the PORE MINIMIZER all over your face to help reduce the look of large pores (*Note: Noticeable benefits accumulate over time with regular use!*)

STEP FIVE: NIGHT CREAM (& DAY CREAM SPF 30)

Now apply the NIGHT CREAM in an upward and outward motion & give it a moment to absorb. Reserve the Day Cream for use in the morning, following the Cleanser. *Note: you may not need to use the entire amount of cream contained in the packet.*

STEP SIX: EYE CREAM

Now gently apply the eye cream with your ring finger in a tapping motion around the eye area. Reserve the remainder for use in the morning, following the Day Cream SPF 30.

STEP SEVEN: MOISTURE-RENEWING GEL MASK

Apply a generous amount of the Moisture-Renewing Gel Mask to your entire face. Allow to absorb and then let it do its work while you sleep! Rinse off in the morning, using your Cleanser and follow with skin care.
